RECOGNITION

Pursuant to and in accordance with applicable provision of the "Public Employment Relations Act" of the State of Iowa and in recognition of the Iowa Public Employment Relations Board's certification of the Chauffeurs, Teamsters and Helpers, Local Union No. 238 hereinafter referred to as the "Union", the City Council and Board of Trustees of the City of Winterset, Iowa, hereinafter referred to as the "City" does hereby recognize the Union during the term of this Agreement as the exclusive bargaining agent for all permanent full-time employees contained within the established bargaining unit.

It is specifically recognized that employees working 150 days or less during the months of May through September or employees working 120 days or less during the months October through April shall be excluded from this bargaining unit and shall therefore not be covered by the terms and conditions of this Agreement. The use of such "seasonal" employees shall not be used to avoid hiring a permanent full time employee.

Employees who normally work less than 30 hours per week shall also be excluded from the terms and conditions of this Agreement.

ARTICLE 2

WORK RULES

The City may, from time to time, adopt or amend departmental work rules. All employees shall comply with these work rules. Any unresolved complaint as to the reasonableness of the new or existing work rules shall be resolved through the grievance procedure.

ARTICLE 3

HOURS OF WORK AND OVERTIME

Section A. General Provisions

All parties to this Agreement understand and agree that the hours set forth in this Article may not be considered as any assurance or guarantee of the hours, minimum or maximum, an employee may be assigned to work. The City will normally not schedule "split shift" work except under emergency or weather related conditions.

All overtime work shall be held to a minimum consistent with the efficient provision of essential services. When overtime is necessary, each employee is expected to accept and work such assignments.

Overtime work shall be compensated by either cash payment or compensatory time ("C" time) off as determined by the City. However, each employee shall be permitted to earn and maintain a "C" time balance of forty (40) hours. The employee may be directed by the supervisor at any time to reduce a "C" time balance to forty (40) hours within a reasonable time frame.

The requests of the employee regarding the earning and use of "C" time shall be given consideration whenever possible.

All compensated leave time such as Sick Leave, Vacation, Holiday or "C" time off shall be included as time actually worked for the purpose of computing overtime.

Section B. Non-Police Employees

The normal workweek shall consist of five (5) eight (8) hour days. In as much as certain departments or operations must operate seven (7) days a week, some employees may be required to work a schedule beginning on any day of the week. Specific work schedules including days and hours shall be issued by the appropriate department head.

Employees who are required to carry a pager while "on call" shall be compensated by two (2) hours at the regular straight time rate for each day while "on call".

During the months of November through March employees in the Street Department shall receive one and one-half ($1 \frac{1}{2}$) times their regular hourly rate of pay for all work performed between the hours of mid-night and 4:00 A.M.

Call In Pay

Employees shall be guaranteed a minimum of two (2) hours pay at one and one-half ($1 \frac{1}{2}$) times their regular rate of pay when called back to work. This minimum guarantee shall not be applicable in the event the call back time is continuous with either the beginning or end of the employee's regular shift. Employees shall not be eligible to receive the two (2) hour minimum guarantee when they are notified of a "call in" prior to the end of their previous work shift for activities including, but not limited to, street painting and snow removal operations.

Overtime

Overtime is all time properly authorized by the supervisor and worked by an employee in units of one-quarter ($1/4$) hour or more which is in excess of eight (8) hours in a day or forty (40) hours in a week.

Section C. Police Employees

Police employees work a schedule involving twelve (12) hour shifts. Specific work schedules including days and hours will be issued by the Chief.

The City will attempt to retain the current schedule, however, if a change in such work schedule becomes necessary the new schedule shall be posted at least seventy-two (72) hours in advance. In the event a Police Officer's schedule is changed and the Officer receives less than seventy-two (72) hours notice, the Officer will be compensated at one and one-half ($1 \frac{1}{2}$) times the regular rate of pay for the first full shift on the new schedule.

Call In Pay

Police Officers shall be guaranteed a minimum of two (2) hours pay at

one and one-half (1 ½) times their regular rate of pay when called in to work. This call back provision shall include court appearances during any off duty time, staff meetings and training sessions for which attendance is mandatory. This minimum guarantee shall not be applicable in the event the call in time is continuous with either the beginning or end of the employee's regular shift.

Overtime

Overtime is all time properly authorized by the supervisor and worked by an employee in units of one-quarter (1/4) hour or more which is in excess of twelve (12) hours in a day or eighty (80) hours in a bi-weekly pay period.

Such notice shall specify the sections of the rules and regulations and/or the agreement alleged to have been violated. The parties shall promptly meet to attempt to agree on an arbitrator. Vacation leave is earned in one year, added to the employee's vacation balance on the employee's anniversary date, and taken during following year. All requests for vacation leave must be made reasonably in advance and may be approved at the discretion of the department head. In approving such requests the department head shall consider the efficient operation of the department and the seniority and wishes of the employees.
